These sessions are offered 6 days/ week around 12PM each day. Sign up to see what the hype is all about.

A NOTE ABOUT SAFETY PRECAUTIONS

Although it is now getting colder, we are still doing curbside check in and out. Please feel free to stay in your car while we are assisting you. We will bring your dog to your car and do the hand off with you at that point.

We also ask that you wear a mask when you interact with the staff, whether we meet you outside or come to your car. We appreciate your patience as we continue our efforts to keep all of our employees and customers safe.
